

NO VAPE NOVEMBER

Make a pledge that will make a difference.

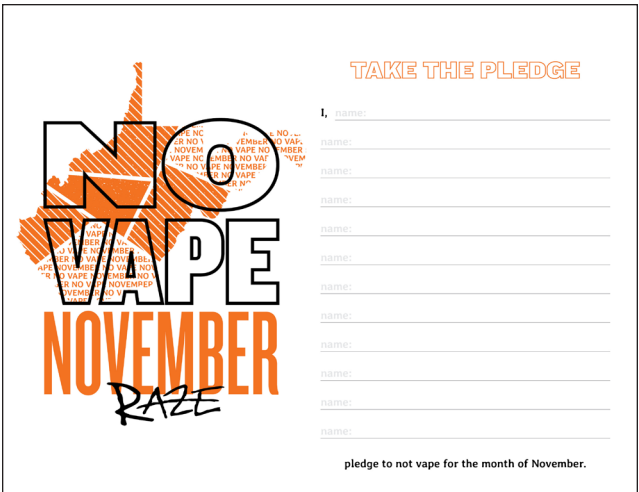

Educate about the dangers of tobacco products, save lives and aid those fighting the battle. Declare that you won't vape during the month of November and beyond. Encourage your friends, teachers, and others to join you in this pledge.

How It Works

1. Promote & Collect Pledges

In October, promote the upcoming “No Vape November” campaign by collecting pledges. That means – put down your vape devices for 30 days. And if you don't currently vape (great!), sign the pledge to indicate you will remain vape-free! Collect pledges by:

- Hanging a large piece of poster board in the school hallway or on a bulletin board and encourage your classmates to add their pledge to take part in No Vape November.
- Use the Raze “**No Vape November Pledge Template**” to collect signatures during lunch or during health or PE classes.

Pro Tip: Use the “**Table Tent Template**” to place on tables at lunch or in your classroom.

What You'll Need

(all files can be downloaded at razewv.com)

- “No Vape November” Calendar Template
- “No Vape November” Pledge Template
- Table Top Template
- “No Vape November” posters

2. Encourage & Countdown

This month long challenge can result in life-changing outcomes. Let's cheer along and countdown with participants:

- Download and print the **"No Vape November Calendar Template"**. Fill it out with an encouraging message, "quit tip", wellness advice, etc., to help encourage those who are trying to remain vape-free. Mark off each day as the month goes along.
- Make copies of the calendar to distribute in health or PE classes so they can join the countdown fun.

3. Spread the Word

Let your social network know you are participating in **#NoVapeNovember** by sharing Raze's social posts or creating your own all month long.

- Hang **"No Vape November"** posters up in visible areas around your school and/or community.

4. Celebrate

On December 1, participating schools will tally up their pledges. The schools with the most engagement will win exclusive Raze swag!
