

CANDY-COATED

There's nothing sweet about the
harm vape does to your body

In 2020, an estimated 2.93 million middle and high school students in the U.S. used flavored e-cigarettes within the past 30 days. Big tobacco companies DO target kids. Stop the lies. Join Raze to learn more and see how flavored tobacco is like giving candy to a baby.

RAZE
tear down tobacco lies.

DEATH BY

CHOCOLATE

It's never been more true

Death by chocolate used to be something you would joke about. Now it's deadly serious. Thanks to Big Tobacco, e-juice flavors like chocolate, strawberry shortcake and Joosylicious can literally kill you. Join Raze to learn more and see how flavored tobacco is targeting you.
