

DEADLY PRODUCTS

The packaging might look playful, but the effects are harmful. Help spread the word by creating product packaging that tells the truth about how deadly tobacco and tobacco products can be.

How It Works

1. Explore

Make list of the harmful effects tobacco causes.

2. Create

Using construction paper, markers, and tape, create packaging that tells the truth about tobacco's harmful effects.

3. Recruit

Set up a recruitment table during lunch displaying your deadly products. Encourage others to join your Crew.

4. Share

Display your products in your school or community. Post a picture of it on social media using **#DeadlyProducts**.

Examples

- **Fatal Fiddle**
